Live Impact

Powerful live performances audiences feel in their bones.

Rhythm. Movement. Joy — delivered from memory.

We perform from memory, which means full movement, full connection and no static lines. Ideal for parades, stages and open spaces.

A Moving Wall of Sound at the Notting Hill Carnival

Audiences feel it before they see it.

The **Sound** of Batala

Deep beats hit different.
Precision meets pace.

Music builds — energy rises with every hit.

Our sound carries outdoors and indoors
without amplification, making us flexible for a
wide range of event environments.
